

# YUMACOLLECTION™

STYLE. COMFORT. FUNCTION.

Yuma Collection™ by Kintec Solution, specifically designed for contemporary furniture designers wanting to broaden the market to a new audience. Yuma is available in manual, power (1 or 2 motors), lifter, glider and sofa applications. Enjoy the near zero-gravity resting position in full recline, courtesy of the low seat and high leg rest positions. The Yuma can support and lift 130 kg (286 lbs.) effortlessly.

## Key Features & Benefits
